

MENOMINEE REGIONAL PUBLIC TRANSIT RIDERSHIP GUIDE

HOW TO SET UP A RIDE

First, let's take a look at the type of routes we have available

FLEX ROUTE (NEOPIT, SHAWANO)

A route with designated stops that may deviate up to two blocks, per rider's request. Riders do not need to call for these routes, they need only be at the designated stops. This route will also pick up at any point along the path of the route.

RESERVE-A-RIDE (SOUTH BRANCH, VV)

Door to door route, riders must call in for these routes as there are no designated stops.

ADA PARA TRANSIT (REGIONAL)

Routes that are focused on elderly and disabled riders who are not able to ride the Flex or Reserve-A-Ride routes. Routes are first come, first serve.

DEMAND RESPONSE (LOCAL)

Routes that service the Menominee Reservation and the City of Shawano. Focuses on riders who are not serviced by Flex or Reserve-A-Ride routes. Routes are first come, first serve.

Once you figure out which route you would like to utilize, please give Menominee Transit a call to set up your ride. Please try and give us at least a half hour notice if you are riding either a Flex or a Reserve-A-Ride route.

WHO DO I SPEAK TO?

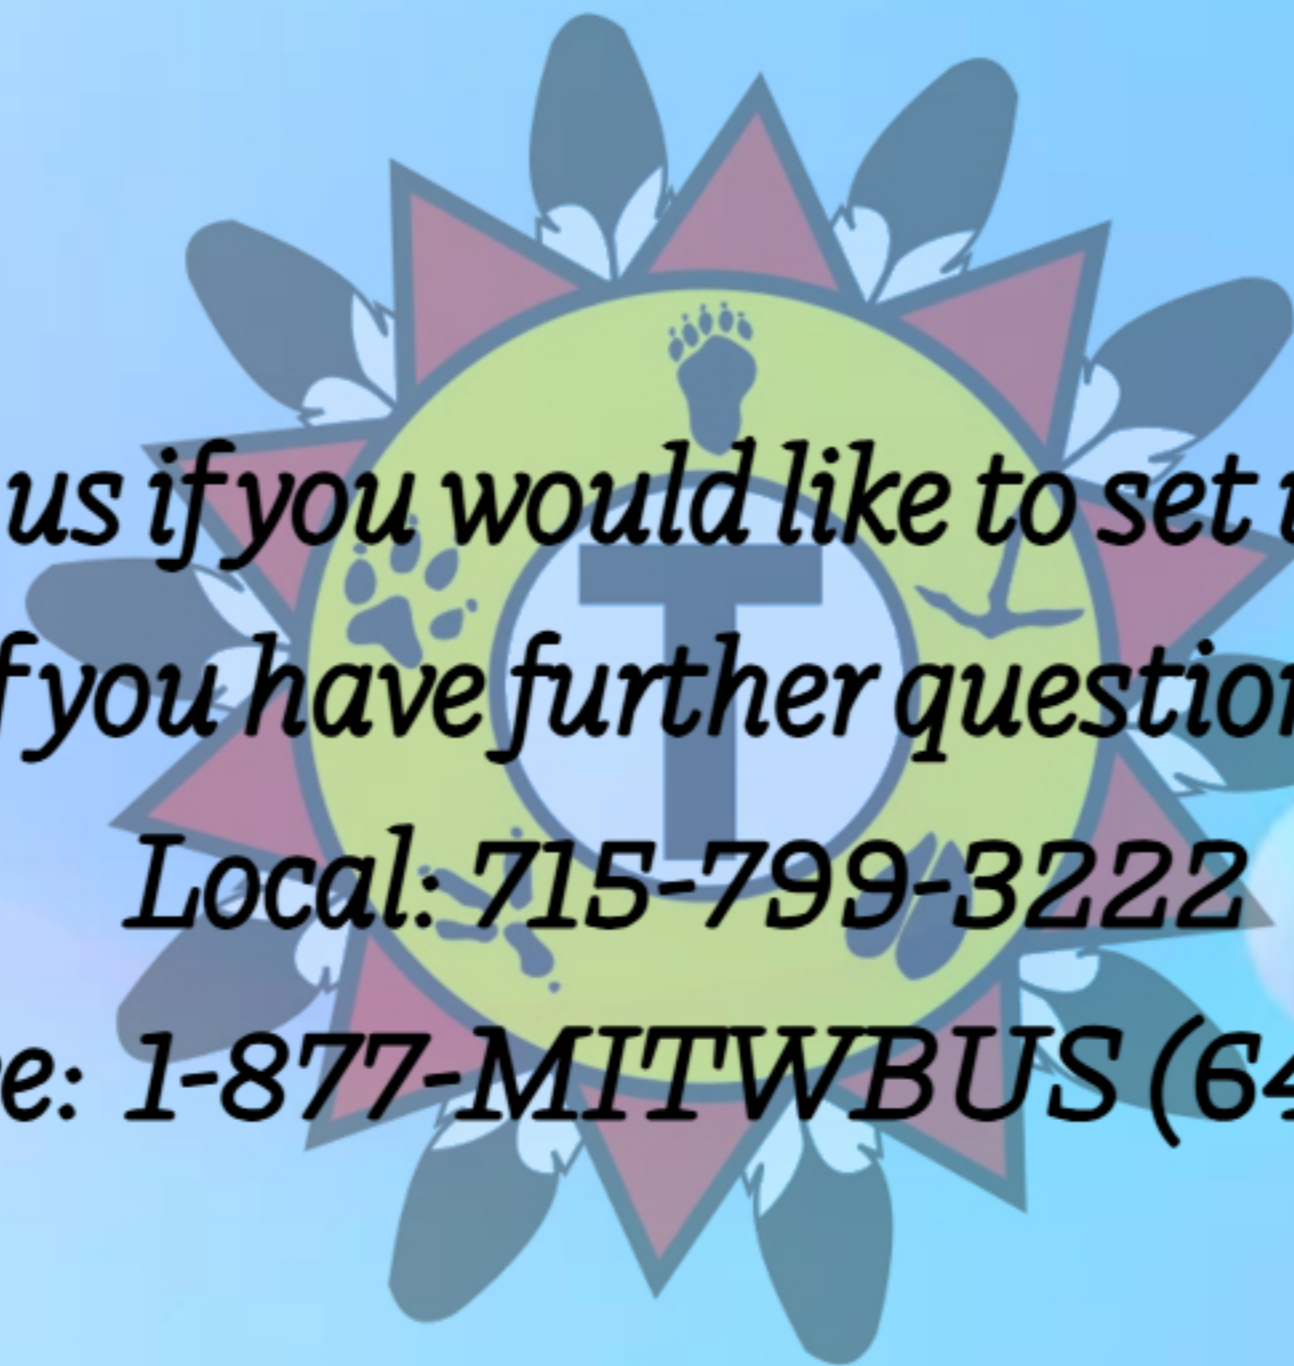

When you call Menominee Transit, you will be greeted by one of our Call-Taker's. They can assist you with: setting up your ride, giving you information about our routes and services, cancel a ride you previously set up, or check on a ride you have scheduled.

There may also be times where you will be greeted by or transferred to one of our Dispatchers. The Dispatchers are in direct contact with the bus drivers, so they can give you live updates on your driver's location, should you need that information.

Contact us if you would like to set up a ride or if you have further questions.
